## Industrial Casters

### General Duty

Recommended for general warehouse and factory applications such as furniture dollies, laundry carts, bakery racks and tool boxes; a good combination of strength, durability and economy.

- **Swivel Casters**—Horn and bearing raceway are formed from a single piece of heavy-gauge steel, deeply corrugated to withstand stress and prevent distortion under full rated load.
- **King Pin**—Riveted and coined for durability in rated service.
- **Load Bearing**—Single row of hardened, polished ball bearing roll freely in a large-diameter, lubricated raceway.
- **Wheel Bearings**—Plain, Nylon bearings.
- **Finish**—Corrosion-resistant zinc.
