Extension Flush Bolt For Installations Not Requiring U.L. Label

- Use as top and bottom flush bolts to secure the inactive leaf of a pair of swinging non-fire doors where a U.L. Label is not required.
- Simplified installation in metal frames - round bolt head requires only a punched hole. Use of strike optional. Special design of guide and flat side on bolt head prevent bolt from turning.
- Standard length of rod is 12". Call for additional lengths.
- Rod backset 5/8"
- Square bolt head 1/2"
- Throw 3/4"
- Includes template, installation instructions, machine and wood screws.
